

Sponsorship Form

YOU could sponsor a child for just 50p per day!

You can opt either to support the work of this ministry in general,
or you can choose to sponsor a particular child.

To sponsor a Primary School child for Education costs £15 per month.

To sponsor a Secondary School child for Education costs £25 per month.

In addition to sponsoring a child for Education, it is sometimes necessary to have children sponsored for 'Living at Home' which will enable the child to be cared for in his/her own home by parent(s) or guardian(s). This will cover the cost of food, accommodation, bedding and other basic necessities and costs £20 per month.

Some people choose to sponsor a child for both Education and Living at Home, at the cost of £35 per Primary School child and £45 per Secondary School pupil (and this can be indicated below by ticking both boxes), while others are happy to sponsor a child for just one of these aspects.

If you choose to sponsor a child, you will be allocated a particular child, receive a photograph and profile of the child, as well as receiving regular reports on the child's progress.

Please specify below which option(s) you are choosing by ticking the appropriate box(es):
